

MYSTERY TRIP ACTIVITY QUESTIONNAIRE

Troop 103 will be going on a Mystery Trip. It is a mystery because only a very few people know the ultimate destination or activity for the weekend. We realize however, that there may be some activities that are not of interest or may be uncomfortable to do by our scouts or adults. To help us provide direction to you about attending the event we would like to have you complete this survey and return it by November 21, 2011 during the troop meeting. If it is determined that the activity may not be something appropriate for you based on your answers, we will contact you to further discuss the planned outing. For those adults that want to know the destination and activity we will make it known during our parent meeting on November 28th. We hope to keep it a "mystery" for the scouts to maximize the fun and adventure for those attending.

Please note your tolerance for the following activities on a scale of 1 to 5. With a **1 meaning you won't do it to 5 meaning you would love to do it. A 3 is neutral.** Please provide an answer for both scouts and adults that may be planning to attend. (Use additional columns for 2nd scout in the same family or if more than one adult/parent may wish to attend). Again, **1 is no interest and 5 is high interest.**
